On behalf of my wife Orycia and I and our new partners Bo & Gloria Wohlers we would like to welcome you to our 6th Annual Spring Bull Sale.

MVF has been very fortunate the last number of years to provide 125 -150 bulls annually for our strong commercial bull trade. Some customers have purchased a lot of bulls over the years. There are too many to mention but we appreciate your support and loyalty and hope we can continue to supply you with more great breeding bulls for years to come.

For 75 years and 5 generations breeding quality Angus cattle has been the main stay of our farm that was established in 1898. These Angus cattle have allowed our family to meet people from around the globe and establish life long friendships.

Our industry is definitely going through some very trying times. But Canadian cattlemen are a resilient bunch with ability to prevail and produce a product unmatched for quality and food safety. I will guarantee that we are only months away from the cattle market regaining more stability and there are some very lucrative times ahead of us. We just have to tighten the belt one more notch and hang in there.

The bulls you will appraise on April 18th will be deep bodied and quartered, good footed with the ability to add performance, thickness, hair and maternal strength to their progeny. These bulls have been managed in large groups with plenty of exercise and fed a TMR ration for a three pound per day gain. The bulls are not fat but in the proper condition to get out there and cover a lot of ground and won't have a big melt down. These bulls are ready to go to work and are backed by Mountain View's promise of 100% satisfaction for soundness and fertility.

I would like to especially thank my wife Orycia for all her help and support. Also our two sons Mark and Aaron. We can't forget Bob Horton for his time and dedication he has devoted to MVF. Also a big thank you to Dallas George who is always there when needed.

Please join us Friday, April 18th, 2008 in Virden Manitoba to view the strongest bull sale offering ever presented by MVF. Feel free to join us for lunch and refreshments at 11:30 on sale day. For more information please feel free to call me at (204) 734-8821 or any of our capable sales staff.

Yours truly,
Scott Anderson, Mountain View Farms Ltd.

MVF*- Established 1898 -*

Purebred Angus*

SPECIAL OFFERS TO BUYERS

TRUCKING

We will deliver bulls at cost to central stockyard locations in Canada. Mountain View Farms will be more than willing to assist you in getting your bull delivered in a timely fashion and as affordable as possible.

SIGHT UNSEEN PURCHASE PLAN

If you are unable to attend sale day, you may call or send bids to Mountain View Farms or any member of the sales management team. Those who are interested in this plan are urged to contact MVF or the sales management to discuss your bull requirements and determine a budget.

**SIGHT
UNSEEN
PURCHASE
PLAN**

Every effort will be made to buy you the right bull or bulls, at the right price to make you a repeat customer. If for any reason you are not satisfied with any of the cattle you purchased on order, you are under no obligation to accept them.

MOUNTAIN VIEW FARMS BULL WARRANTY

Mountain View Farms guarantees to sell you a bull that is structurally sound, a bull that has passed a semen test and a breeding soundness evaluation by a licensed veterinarian. Should any MVF bull fail to be a satisfactory breeder - unable to physically service a cow or heifer - he will be replaced with a bull of equal value.

Should this not be possible, an adjustment will be made to reflect the value of the bull in question, or a credit will be given towards the purchase of another bull.

IN SHORT, WE GUARANTEE TO PROVIDE YOU WITH A SOUND, BREEDING BULL.

We, however, will not provide replacement or adjustment for physical injury or mismanagement. Bearing this in mind, we stress the importance of insurance on your bull. At no time shall the seller's liability exceed the purchase price of the bull. Should you have a problem with your bull, call us right away. We will work with you to make sure you are satisfied with your Mountain View Farms bull.

Mountain View Farms Ltd. uses Canadian Angus Performance Program whole herd reporting.

WELCOME TO MOUNTAIN VIEW'S 6TH ANNUAL SPRING BULL SALE

This sale suits many producers for it is positioned close to grass time and is full of high quality, young herd sire prospects ready to go to work. This year's sale features fifteen two year olds, twenty-five long yearlings and forty yearlings. The sires represented are many of the top sires of the breed, bulls like SAV Net Worth 4200, KMK Alliance 6595, Connealy Freightliner, GAR Retail Product, Boyd Beef Maker, MVF VRD Dateline 913P, MVF VRD Dateline 13M, BR New Frontier, Boyd On Target and MVF Focus 2P.

These are bulls with moderate birth weights and great performance and Milk EPDs. These bulls are guaranteed breeders with generations of bred on muscle without sacrificing maternal traits. These bulls will be semen tested and fully guaranteed.

These bulls are not fat but thick topped and deep quartered, good hair and sound traveling beef bulls, no bad feet, no big melt down, the right condition to service your herd.

If you are unable to attend the sale, please remember the "Sight Unseen Program", Scott, the sale staff or myself will be available to assist you with evaluation or information on any of the bulls.

This is an outstanding group of reputation Angus bulls they come highly recommended and are from an operation that stands behind the bulls they sell.

Yours truly,
Doug Henderson
Douglas J. Henderson & Associates Ltd.

EPDs:

- allow breeders to estimate a young animal's breeding value—that animal's value as a parent
- allow a fair comparison of breeding value by removing environmental bias such as climate, feed and special management
- the best tool available to compare animals between herds, countries and year of birth
- help breeders make informed decisions regarding breeding stock selection by evaluating numerous traits such as growth-related traits (BW, WW, YW, Milk), carcass (REA, FAT, %IMF, etc.) and reproductive efficiency (CE, MCE, SC)
- estimate the group performance of one parent compared to the group performance of another parent, **assuming similar mates**

EPDs EVALUATE GROUP AVERAGES AND OFFSPRING'S PERFORMANCE. THEY CANNOT PREDICT INDIVIDUAL PERFORMANCE OR WEIGHTS

To evaluate seed stock, use EPDs, pedigree and visual assessment. With EPDs, the concept of "intermediate optimums" works best. Selection for one trait or for extremes generally results in unexpected consequences due to genetic correlations—for example, intense selection for high yearling weight will also increase birth weight. Successful cattle breeding requires a thoughtful and balanced approach to optimize fertility, growth and carcass merit while improving profitability and efficiency.

EPDs are an estimate of how future progeny of each sire can be expected to perform in each of the traits listed. All EPDs are expressed in pounds, either plus or minus. EPDs are followed by % Accuracy - the higher the Accuracy, the higher the reliability.

BIRTH WEIGHT - BW - Predicts the difference in average birth weight of a bull's calves compared to the progeny of an average Black Angus bull.

WEANING WEIGHT - WW - Indicates the ability of a sire's calves to grow from birth to weaning compared to an average bull.

YEARLING WEIGHT - YW - Growth from birth to yearling, compared to the average.

MILK - A predictor of a sire's genetic merit for milk and mothering ability as expressed in his daughters as compared to daughters of an average Black Angus bull.

TOTAL MATERNAL - TM - Predicts the difference in weaning weights of the sire's daughters' progeny due to the combination of growth genetics and milking ability.

AVERAGE EPDS - CANADIAN BLACK ANGUS BORN IN 2007

75 YEARS

Raising Purebred Angus

NOTES**GENERAL INFORMATION**

CATTLE INSPECTION: All carry permanent identity tags, corresponding to Sale Lot Numbers. All shall be available for inspection prior to sale.

HEALTH STATUS: The bulls offered for the sale have been vaccinated for IBR, PI-3, BRSV, 8 WAY BLACK LEG, HEAMOPHILUS, SOMNUS AND PASTEURELLA HAEMOLYTICA. All were treated for internal and external parasites.

ALL CATTLE ARE SOLD: Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

BREEDING GUARANTEE: All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

HOLDING AND SHIPMENTS: Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

INTEREST: Mountain View Farms reserves the right to retain an interest in any of the animals selling.

INSURANCE: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the Clerk's desk from the appointed representatives on sale day, also from the Sales Management at any time.

TERMS OF SALE: Are cash or cheque at par, payable to Clerks of the Sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

ALL PERSONS who attend the Sale do so at their own risk, and the Owners, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.
